Dr. Joshua Lederberg
Department of Genetics
University of Wisconsin
Madison 6, Wisconsin

Dear Lederberg:

The only record we have here about Luria is that he was born on August 13, 1912 in Turin. I know that he took his M.D. degree in Italy--presumably in Turin--and that he did research work in Paris before coming to the U.S. I hope this may be of some help to you.

With best regards,

Sincerely yours,

A handwritten signature in dark ink, appearing to read 'M. Demerec', with a stylized flourish at the end.

M. Demerec
